Providing the community with the keys to lifelong learning.

The Makery Services Policy

Purpose

The purpose of the Makery Services Policy is to set guidelines to protect the equipment and property of the Westmont Public Library. In order to assure the integrity of the Makery equipment, users may be required to undergo a training orientation and fill out appropriate user agreements in order to be granted access. Cardholders in or below 5th grade must have consent or supervision from a parent/legal guardian to use Makery services and collections.

Access

When not offered through a program, the Makery equipment is only available for in-house use to SWAN library cardholders in good standing, with reservation priority given to Westmont cardholders. A limit on the number of participants that may use a Makery tool at one time may be imposed. Some equipment within the Makery collection may have associated fees; please see the Schedule of Fines and Fees for further details.

Information on current Makery equipment and projects is available at www.westmontlibrary.org/makery.
