

Beanstack Tracker app instructions: How to **sign up**...

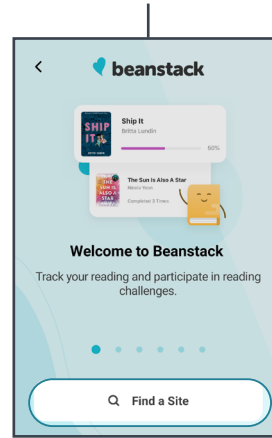

1 Install the **Beanstack Tracker** app from the Play Store or App Store.

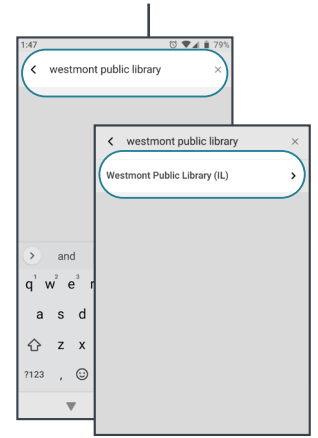

2 Open the app. Tap **Let's Go**, then choose **School, Library, or Bookstore**.

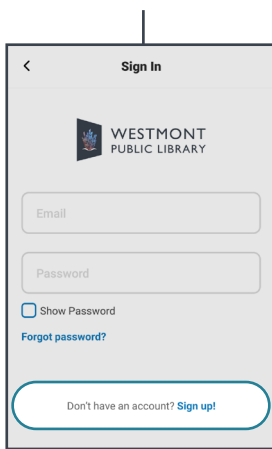

3 Tap **Find a Site**.

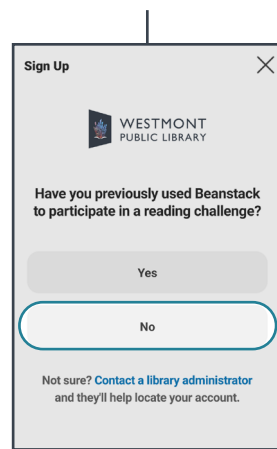

4 Search for **Westmont Public Library**. Then tap on the result.

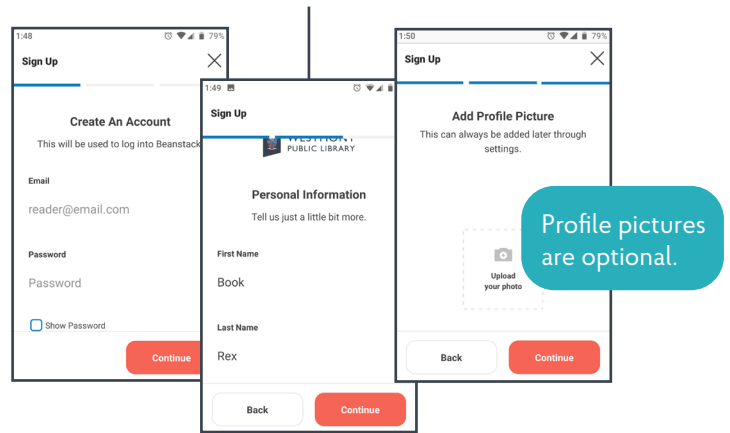

5 If you have an account, sign in. Otherwise, tap **Sign up!** to make one.

6 Tap **No**. (Tap Yes to return to the previous screen.)

7 Fill in the required information on the next 3 screens. The **email and password you enter will be used to sign in for yourself and all Readers** (participants) you add. Tap **Continue** to go to the next screens.

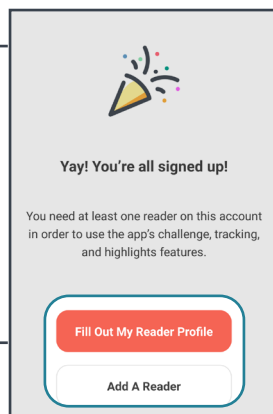

8 Your account has been created! Next, you will add Readers (participants) to log books and join challenges.

Choose **Fill Out My Reader Profile** to register *yourself* as a Reader.

Choose **Add a Reader** to add *someone else* as a Reader.

Keep adding Readers as needed—or come back later to add them. **After each Reader is made, you'll be shown available challenges to join.**

Any time after making an account, you can... **ADD, EDIT, AND SWITCH READERS:**

- To edit your account information, edit a Reader, or add a Reader,** tap on the gear icon in the upper right, then choose Account or Readers.
- To switch which Reader is currently selected** for viewing challenges and logging, tap the circle in the upper right containing the current Reader's initials.
- To view challenges** for the currently active Reader, tap the Discover icon (compass) at the bottom.
